Welcome from the President, COL (Ret.) Timothy Brand, MC, USA

Dear SGSU Members,

Welcome to Tucson, Arizona and the 69th Annual Kimbrough Seminar. It is a distinct honor to serve as the President of the Society of Government Service Urologists. Dr. Ryan Speir and Dr. Ronald (RJ) Caras have put together an outstanding academic and social program, and the DeSantis Management Group continues to provide exceptional administrative leadership and support. We look forward to a fabulous meeting. As the field of Urology, military medicine, and VA medicine evolve, the Kimbrough Seminar will likewise change with the times. The meeting remains a foundation for Urologists in the service of our government, an excellent forum for education and training, and a wonderful opportunity to socialize and network with one another. The leadership and dedication of our active duty, VA and retired membership ensures that the wonderful tradition of the Kimbrough meetings will continue to support the mission and camaraderie that is unique to military and VA urology. Enjoy the meeting and your time in Arizona. I look forward to seeing you all.

With Best Regards,

COL Timothy Brand, MC, USA (Ret.)

Welcome from the Program Chairmen

**LTC Ryan W. Speir, MC, USA
LTC Ronald J. Caras, MC, USA**

Dear SGSU Members,

A warm welcome all to the 69th Annual Society of Government Service Urologists, James C. Kimbrough Urological Seminar in Tucson, Arizona. We have an exciting and robust academic program planned while maintaining our important SGSU traditions. We will have three full meeting days and again providing the highly valued Mock Oral Boards on Sunday for a total of 22.5 hours of CME (including separate CME symposiums).

Our Scientific Program provides every resident and staff the opportunity to present original research at podium and poster sessions. We are also honored to have a distinguished group of visiting faculty that will focus on state-of-the art discussions and highlight best practices and new research in urology. Special topic lectures and industry programs will round out our meeting. We will also include ample time for audience questions and discussions.

In addition to a power-packed scientific program, we are planning a number of exciting social activities including our Wednesday evening Welcome Reception, on Friday evening, will feature the entertaining and traditional GU Bowl followed by the Wild Wild West Night with a live band and fun. Saturday late afternoon will feature our Poster Session with a Reception and Awards Ceremony. Enjoy Thursday and Saturday nights to enjoy the Tucson area.

We look forward, as always, to renewing old friendships and making new ones.

Best Regards,

LTC Ryan W. Speir, MC, USA
LTC Ronald J. Caras, MC, USA

USAV

The **Urological Society for American Veterans (USAV)** is established to enable its members to review and deliberate on topics and opportunities unique to federal urologic practitioners. The purpose of the organization is to initiate, discuss, and develop ideas, in an evidenced-based manner, which will improve the care of the Veteran patients with urologic disease(s) and the welfare of the federal urologic practitioner members. Learn about USAV's missions and the benefits of membership by visiting USAV website: <https://govurology.org/usav/>

JAMES CLAUDE KIMBROUGH, MD

Colonel, Medical Corps, United States Army -1887-1956

Colonel Kimbrough was the “Father of U.S. Army Urology”. A native of Madisonville, Tennessee, he graduated from Vanderbilt University School of Medicine in 1916 and entered the U.S. Army Medical Corps in July 1917. He served a total of forty-one months in Europe during World Wars I and II. His career from 1921, was spent almost exclusively as Chief Urologist in many Army hospitals and included four tours, totaling eighteen years, at Walter Reed General Hospital where he initiated the urology residency program in 1946. His military awards include a MOS prefix of “A”, Bronze

Star, Legion of Merit, Purple Heart, and a Meritorious Service Citation from General Pershing. He was immediately recalled to active duty after his statutory retirement in 1948. In 1953 an Act of Congress appointed him a Permanent Consultant in urology at Walter Reed. In addition, COL Kimbrough was a Diplomat of the American Board of Urology, a member of the American Urological Association (AUA), a Fellow of the American College of Surgeons, and a member of the American Medical Association. He served as President of the Mid-Atlantic Section of the AUA from 1955 to 1956. From 1949 to 1950 he was President of the Washington, D.C. Urologic Society. He held honorary memberships in the Western Section of the AUA, Royal Society of Medicine of London, Academic de Chirurgie of Paris and Alpha Omega Alpha. Colonel Kimbrough was a 32d degree Mason and Shriner. His intense interest and enthusiasm in Urology made him an authority in the field of urologic oncology; he contributed fifty-eight papers to the urological literature. In 1953 this seminar was established in his honor. In 1957, after his death, the official name became the James C. Kimbrough Urological Seminar. On 29 June 1961, Kimbrough Army Hospital, Fort George G. Meade, was dedicated to his memory.

JAMES C. KIMBROUGH MEMORIAL AWARDS - PREVIOUS WINNERS (cont.)

In 1957, Mrs. Pauline Kimbrough established the Kimbrough Memorial Award for the best presentation by a military resident. Starting in 1972, first place awards began to be presented to the two armed forces urology residents making the best presentations in clinical urology and basic science research. The competition was expanded to include all residents in government service affiliated urology residency programs in 2007. A plaque is given to each award winner.

PRINCE D. BEACH, MD

Colonel, Medical Corps, United States Army -1918-1992

Colonel Beach was a native of New Bedford, Massachusetts, a graduate of Colby College and Jefferson Medical College, and was commissioned in the US AMEDD in 1945. Over the next several years he served as a battalion surgeon and medical officer with varied and multiple commands of dispensaries and station hospitals, primarily in Europe. During the Korean War he received the Bronze Star while commanding officer and division surgeon of the 24th Medical Battalion. After completion of his urology residency in 1955 at Brooke Army Medical Center, he was the Assistant Chief of Urology at Fort Carson and Brooke, and Chief of Urology, 2nd General

Hospital, Landstuhl, Germany. He returned to Brooke General Hospital in 1963 and was Chief of Urology from 1965 until his retirement in 1968, after 23 years of active service. Subsequently, he became an Associate Professor in the Department of Urology at Baylor College of Medicine, Chief of Urology at the VA Hospital in Houston, Texas, and Co-chairman of the VA Cooperative Urological Research Group. He was Executive Secretary of the Society of Government Service Urologists (SGSU) from its inception until his death in 1992. He was known for his great sense of humor, administrative expertise, wise counsel and sound clinical acumen.

PRINCE D. BEACH AWARD PREVIOUS WINNERS

Established in 1992 for the best paper presented by a Society Member Staff Physician, as judged by Chief Residents attending the Seminar.

H. GODWIN STEVENSON

SGSU Administrator - 1920-1992

H. Godwin Stevenson, a native of Philadelphia, graduated from Cornell University with a B.S. in zoology. He was a naval aviator and flight instructor during World War II. In 1946 he joined Eaton Laboratories as their first salesman and was in charge of government sales from 1952 until his retirement in 1982. He was a naturalist throughout his life, an expert in falconry, an avid birdwatcher, and published authority on moths. Known affectionately as "Tibbie," he was a trusted friend, confidant, and supporter of all Armed Forces and VA urologists. His numerous contributions to government service urology remain his legacy, and include: administrator of the SGSU from its inception in 1972 until his death in 1992, organization and

publication of the "Proceedings of the Kimbrough Seminar," solicitation of multiple corporate sponsors for the annual James C. Kimbrough Urological Seminar, resident grants to professional meetings, SGSU Membership Directory, and hotel conference agreements for the yearly Kimbrough meeting.

H.G. STEVENSON AWARD PREVIOUS WINNERS

In 1992 the Society established this award, which is presented annually for outstanding support and dedicated service to the Society. The recipient of this award can be a Corporate Member, physician, or other individual as determined by the Board of Directors.

CHRISTINE MANTHOS

Major, Medical Corps, United States Army - 1961-1999

Major Manthos, a native of Leesburg, Virginia, commissioned in the USAR in 1985, was a graduate with distinction of University of Virginia and the Uniformed Services University of the Health Sciences from which she received the Army Surgeon General Award. She did her surgical internship at Fitzsimons AMC followed by a one year assignment in Korea as Troop Medical Clinic Commander. She returned to Fitzsimons to complete her Urology residency in 1996 as the last graduating urology resident prior to the closure of Fitzsimons. Among her accomplishments throughout her life were fluency in Russian, participation in an early Hanta

virus study, experience as a country music disc jockey, selection by her peers in 1996 as Outstanding Teaching Resident and below zone promotion to Major. An outstanding physician, she was known for her genuine compassion, excellent teaching abilities and superb surgical skills. Chris was lovingly devoted to her children, family and many friends. Her ever-present infectious smile touched all who knew her. The annual luncheon will be held in memory of Christina Manthos, a member of the society who died of breast cancer. We hope her memory and love for residents will live on during the annual Manthos Resident and Young Urologist Luncheon.

CLARE SCANLON

1941-2005

Clare Scanlon was just as much a member of the Army as was her husband, retired judge advocate Wally. A native of Long Island, New York, Clare graduated from Marymount College in Arlington, Virginia. While raising a family and moving from post to post, Clare worked tirelessly to enrich the lives of those around her. She received the Military Wife of the Year award at Fort Dix, NJ in 1971, and in 1974 was a recipient of the Molly Pitcher award for distinguished service as an officer's wife in the community at Ft. Sill, OK. While at West Point, Clare instructed cadets on finer points of decorum and protocol, launching many young men and women into successful Army careers.

After Wally's career took him to Fort Sam Houston, she served as the medical editor for Brooke Army Medical Center, shepherded many manuscripts into prestigious journals and textbooks of international renown, and began a decade of service to the SGSU. Even into the last year of her life, Clare dedicated countless hours to planning the Kimbrough Urological Seminar, editing and assembling the program book.

CLARE SCANLON AWARD - PREVIOUS WINNERS

CLARE SCANLON AWARD

In 2006, to express our deep gratitude for her devoted service, the Society established the Clare Scanlon Award, to be "presented annually for outstanding administrative support and service to the Society, specifically in regards to the annual Kimbrough Seminar, as determined by the Course Director".

GENERAL INFORMATION

Registration:

Registration is required in order to obtain Continuing Medical Education credits. Attendees will be given badges at registration. It is required that you wear your badges to gain entry into the scientific sessions, exhibits, social events, breakfasts, and breaks. Should you wish to bring your spouse to any of these events, you must register them for a badge.

Registered Spouses/Guests are welcome to attend the morning breakfasts and breaks in the exhibit hall. Spouse/Guest badge is required.

Overview/Highlights:

Topics featured at the Kimbrough Annual Seminar will feature state of the art lectures in various urologic topics - including: Sexual Medicine, BPH, Prostate Cancer, Pelvic Medicine, Male Incontinence, Stones, Renal Masses, Residency/Leadership and Military Preparedness, Reconstruction. In addition, the program will include the traditional Resident Research Competition, Research Papers, Podium/Poster Session and Mock Oral Boards - for those preparing for the ABU certifying examination.

Special Assistance/Dietary Needs: The SGSU complies with the Americans with Disabilities Act §12112(a). If any participant is in need of special assistance or has any dietary restrictions, please see the registration desk.

Dress Code:

Service Dress on Thursday (Business for civilians) for picture, and any time when presenting or moderating. All other times will be business casual (collared shirt and slacks or female equivalent). GU Bowl Friday night is Western themed - wear your warm western gear, as Wild Wild West night follows the competition, many events are outside.

Attention Presenters:

Go to slide preview area to make changes/update slides. Updates must be made at least one hour in advance of your presentation.

Slide Preview Hours:

WED: 2:00 PM - 6:00 PM

THURS - SAT: 7:00 AM - 5:00 PM

SUN: 7:00 AM - 9:00 AM

CONTINUING MEDICAL EDUCATION

Acknowledgement of Financial Commercial Support

No financial commercial support was received for this educational activity.

Acknowledgement of In-Kind Commercial Support

No in-kind commercial support was received for this educational activity.

Satisfactory Completion

Learners must complete an evaluation form to receive a certificate of completion. Your chosen sessions must be attended in their entirety. Partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Joint Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and Society of Government Service Urologists. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

JOINTLY ACCREDITED PROVIDER®
INTERPROFESSIONAL CONTINUING EDUCATION

Physicians (ACCME) Credit Designation

Amedco LLC designates this live activity for a maximum of 19.50 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Objectives - After Attending This Program You Should Be Able To:

1. Examine and discuss challenges in Urethroplasty procedures.
2. Review & discuss the changing paradigms in the diagnosis and management of Erectile Dysfunction.
3. Utilize new techniques and procedures for Holmium Laser Enucleation of the Prostate (HoLEP).

Disclosure of Conflict of Interest

The following table of disclosure information is provided to learners and contains the relevant financial relationships that each individual in a position to control the content disclosed to Amedco. All of these relationships were treated as a conflict of interest, and have been resolved. (C7 SCS 6.1--6.2, 6.5)

All individuals in a position to control the content of CE are listed in the program book. If their name is not listed below, they disclosed that they had no financial relationships with a commercial interest.

Name	Commercial Interest
Andrew Peterson	Boston Scientific: Research Grant Site Principal Investigator, Scientific/Medical Advisory Board Member, Speakers Bureau
MARCELINO RIVERA	Boston Scientific, Cook Medical: Consultant
Austen Slade	Cook Medical :Consultant

CONTINUING MEDICAL EDUCATION

For CME Credit:

1. Submit daily evaluations
2. After meeting, print your certificate

1. Complete your daily evaluations electronically

Go to >> govurology.org

Click on >> [2023 Daily Evaluations](#)

2. Print Your CME Certificate

Go to >> www.govurology.org

Click on >> [Print 2023 CME Certificate](#)

*Please print all pages of your certificate for your record.
